SOS®

Your trust. Our commitment.

LINEO™

Be what you want to Be

As the millennial generation takes over, traditional work methods, interaction modes, communication styles are all melting away and taking new forms. This dizzy pace of change is forever challenging the status quo and raising the bar.

At SOS, we view these not merely as challenges to be met; or problems to be solved - but as opportunities to bring out the best in us and break new ground and offer world class office furniture solutions.

Flexibility - the very DNA of Lineo™

An innovatively designed modular desking solution, Lineo™ is a system that forever evolves with you, Lineo's™ flexibility in customisation ensures that you never have to compromise on what you want.

Truly, Lineo™ lets you be what you want to be, working the way you want.

Take the Lineo™ Leg, for example. If you can think of a shape, you can have it. Options you never thought of are now possible, at the flick your finger!

Be what you want to Be

Welcome to the Lineo™ office

Lineo™ offers you a solution, irrespective of how complex or demanding the requirement may be.

With myriads of configurations and a choice of colours and finishes, Lineo™ offerings cover your entire office landscape.

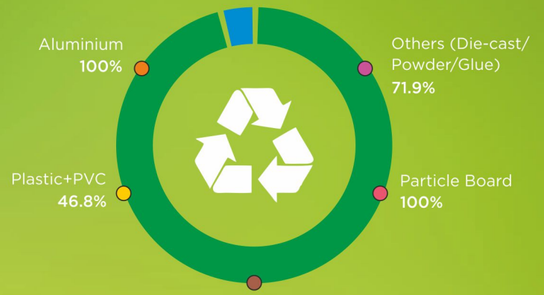
Lineo™ Cabin & Meeting Tables

Lineo™ Cabin and Meeting tables offer the same flexibility as the workstations, giving you a choice of elegant finishes, stylish legs and storage options that lend your cabins and meeting rooms a unique character while seamlessly blending in with the rest of your office.

how green can **green** be?
Lineo™ shows you how!

LINEO™
Be what you want to Be

96.05%
recyclability



46.54%
biodegradability

LEED (Leadership in Energy & Environmental Design) is a rating system for the design, construction and operation of high performance green buildings.

Lineo™ qualifies for LEED credits for a number of parameters, notably Materials & Resources; Recycled Content; Regional Materials; Rapidly Renewable material and Indoor Environment & Quality.

Lineo™ is an IGBC certified GreenPro listed product. GreenPro is a product certification that guarantees the eco and environment friendliness of product throughout its life cycle.

Lineo™ is ANSI/BIFMA e3-2014 certified and is a product conforming to Furniture Sustainability Standards. The level of conformance is GOLD. This standard provides Assessment Criteria for carbon footprint, recyclability and biodegradability of materials used in the product.

Technical Specifications

The secret of Lineo's™ customisation possibilities is the innovatively designed under structure and its capability of separating, handling and managing large number of electrical and data cables, making wire management simple and trouble-free.
