World class manufacturing facility

SOS has an state-of-the-art manufacturing plant at Nagpur spread over three lakh square feet and a built-up production area of over one lakh fifty thousand square feet. This plant - equipped with the best of machines from Europe and Japan is operated by a dedicated and skilled workforce and backed by a rock solid management team. A fully equipped in-house lab ensures uncompromising production and quality standards that match the best in the world.

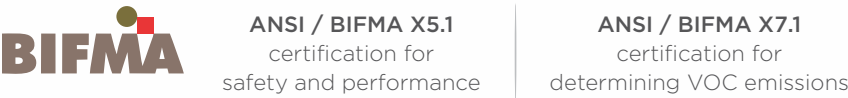

Pictures left to right • Corporate office & Manufacturing facility • Laser sheet metal cutting • Italian CNC router • Italian Salvagnini Panel bender • Robotic welding • CNC sheet metal bending • Digital cutter for Acoustic panels • German 'Wagner' Powder coating • Tube Bending 5 Axis

Global standards and green certifications

The production facilities at SOS are built and run to best of global standards and industrial practices. This is endorsed by our ISO and BIFMA Certifications apart from numerous other awards.

SOS products are manufactured with compliance to BIFMA Standards and specified products are BIFMA certified. This standard gives manufacturers, suppliers, architects, designers and government agencies a benchmark for production of sustainable office / institutional furniture and seating products. The BIFMA mark establishes performance criteria that address environmental, economic and social aspects throughout the supply chain.

SOS is proud recipient of India Design Mark for key products, its phone booth range - Privato is tested for acoustic performance - as per ISO 23351-1:2020 standards for measuring speech level reduction. Spacewood Office Sololutions Pvt. Ltd. is an Annual Member of Indian Green Building Council (IGBC). Bearing Membership No. IGBCMM220716
